Musical Instrument Lessons

Children in KS2 classes have the opportunity to take instrumental music lessons during the school day.

The school do not provide instruments. The music teachers will give information as to which type of instrument and books are needed before lessons commence.

Lessons are taught by independent music teachers (with current DBS child safeguarding checks) who visit the school weekly.

Children leave the classroom for a 30 minute lesson.

Times are on a rota to ensure children do not miss the same class lesson each week.

Fees are paid directly to the Music Teachers who have their own payment terms and conditions.
