

TECH CLUB

ST VINCENT'S | YR 1 - 2

AFTER SCHOOL CODING AND TECHNOLOGY CLUB

Tech Club equips your child with a diverse range of technological skills, igniting their passion for the digital world as they delve into coding, music production, video editing, 3D modelling, robotics coding and more.

This 12-week course focusses on game creation, where each lesson is dedicated to building a new game. Students develop teamwork, communication, and leadership skills, fostering an environment of growth and cooperation.
